HOW TO INSTALL SHOPBOOK

Double click on MSAccess-Runtime-32Bit.exe and install the Free Microsoft Access Runtime 365.

Copy and Paste the Shopbook folder provided in the package to 'My Documents' in C Drive of your computer and open the software by right clicking on the Shopbook file and selecting Open with > Microsoft Access Runtime.

Ignore the Microsoft Access Security Notice and click 'Open'

You will be prompted for User Name and Password. Select User Name as Admin and enter Password 12345 to Login.
